The authority shall have general supervision of the conduct of the business of cultivation, processing, distribution, sale at wholesale and retail and importing cannabis, and also of the quality, purity and grade thereof. The authority shall make such rules and regulations as it deems necessary to enable it to carry out and enforce the provisions of this chapter, and shall prescribe the forms of application for licenses under this chapter and may require therein such information as it deems necessary. The authority shall establish application fees for each class of license sufficient to cover the authority's cost of processing applications. Every license hereunder shall be governed and controlled by the rules and regulations adopted by the authority.

Subject to the provisions herein, the authority may suspend or revoke any license for any violation of the rules and regulations established hereunder or for aiding or abetting in any violation of such rules and regulations, but before such suspension or revocation, the authority shall give a hearing to the licensee, after due notice to him of the charges against him and of the time and place of the hearing. Such licensee may appear at the hearing with witnesses and be represented by counsel. The authority and any representative thereof duly authorized to conduct any hearing under this chapter shall have power to administer oaths and take testimony under oath relative to the matter of inquiry or investigation. At any hearing ordered by the authority, the authority or its representative authorized to conduct such hearing may subpoena witnesses and require the production of books, papers, and documents pertinent to such inquiry. If any person shall disobey such process or, having appeared in obedience thereto, shall refuse to answer any pertinent question put to him by the authority or its authorized agent or to produce any books and papers pursuant thereto, the authority or such representative may apply to the superior court for the county wherein the person, relative to whose business such hearing is ordered, resides or wherein such business has been conducted, or to any justice of said court if the same shall not be in session, setting forth such disobedience to process or refusal to answer, and said court or justice shall cite such person to appear before said court or justice to answer such questions or to produce such books and papers, and, upon his refusal so to do, may commit him to jail until he shall testify, but not for a longer period than sixty days. Notwithstanding the serving of the term of such commitment by any person, the authority may proceed in all respects with such inquiry and examination as if the witness had not previously been called upon to testify. Officers who serve subpoenas issued by the authority or under its authority and witnesses attending a hearing conducted by it hereunder shall receive fees and compensation at the same rates as officers and witnesses before the courts of the commonwealth, to be paid on vouchers of the authority or to be paid without appropriation out of the proceeds of the excise imposed by this chapter, on

159 (Example: an ounce of cannabis containing 5% THC is taxed fifty dollars, as $.05 \times \$1,000$ is
160 \$50.) Determination of THC content shall be established by dry weight, without seeds. Subject
161 to approval by the general court, such excise shall be adjusted by the authority from time to time

Such machine shall be sealed by its authorized representative and shall be used in accordance with such rules and regulations as the authority may prescribe. For purposes of this section, "alcoholic beverage licenses" shall mean the aggregate number of licenses which authorize the sale of alcoholic beverages to consumers.

Within ten days after receipt of any such application, the local licensing authorities shall cause a notice thereof to be published at the expense of the applicant. Such notice shall be published in the city or town wherein the license is intended to be exercised or, if no newspaper is published in such city or town, in a newspaper, published within the commonwealth, providing general circulation in such city or town, or if there is no newspaper providing general circulation in such city or town, then in a daily newspaper published in the county wherein such license is intended to be exercised. After such publication the name of the newspaper publishing such notice shall be noted by the local licensing authorities on the application for a license. The notice shall set forth the name of the applicant in full, the kind of license applied for, a description of the location and area where the license is intended to be exercised, designating, if practicable, the street and number. No application shall be acted upon by the local licensing authorities except after hearing thereon which shall be held not sooner than ten calendar days after the publication of such notice. An affidavit of the person making such publication on behalf of such authorities,

403 together with an attested copy of the notice published, shall be filed in the office of such
404 authorities, and a certified copy of such affidavit shall be prima facie evidence that such notice
405 has been published in accordance with this section. Where there are no premises actually in
406 existence at the time the application is made, the applicant may file with the local licensing
407 authorities a plan showing the actual dimensions of premises which are to be constructed on
408 which the license is to be exercised. The local licensing authorities may thereafter grant a license
409 upon the condition that such license shall issue upon completion of such premises according to
